JAPS USE A RAILWAY

UTILIZE A CHINESE ROAD TO FACILITATE ATTACK UPON RUSSIAN CITY.

BIG BATTLE AT PORT ARTHUR

JAPS REPEATEDLY REPULSED IN DESPERATE FIGHTING ON LAND AND SEA.

Mukden, Aug. 10.—The Japanese are using the Shanhaikwan-Yinkow railway for provisioning the army and mobilizing troops for an attack on Simintun, about thirty miles west of Mukden.

Simintun is the northern terminus of the Shanhaikwan railway. From Koupangtse, about seventy miles southwest of Simintun a branch line connects with Yinkow, which is about fifty-three miles southeast of Koupangtse.

Last March it was asserted that the Chinese had been authorized to turn over the railway plant to the Japanese.

The Japanese are in control of the Gulf of Liaotung and should the statement in the dispatch from Mukden prove to be correct, it would tend to indicate that they are landing troops at Shanhaikwan, using the railway and transporting them to Simintun. The strategic importance of the possession of the railway, which was sought by the Russians early in the war, is apparent.

JAPS ATTACK IN VAIN

ISLANDERS BEATEN BACK IN DESPERATE FIGHTING AT PORT ARTHUR.

London, Aug. 10.—The only additional war news appearing in the London newspapers this morning takes the form of sensational rumors. For instance, it is reported from Shanghai that the Russians are retreating northward from Anshanshan.

The Daily Telegraph's Chefoo correspondent reports that a great land and sea fight occurred at Port Arthur on Aug. 8 and that the Japanese were repeatedly repulsed. Over 1,000 Russians were killed, the correspondent says. The Russian troops have now been reinforced by the civilians who remained at Port Arthur.

The correspondent of the Daily Mail at Koupangtse, cabling under date of Aug. 8, states that 2,000 coolies are working on the new Japanese base at Newchwang where the greatest activity prevails. The Japanese are landing supplies and are building a light railway.

FORMOSANS FIGHT FOR JAPS.

Ten Thousand Yellow Men March With the Brown.

Liaoyang, Aug. 10.—General Kuropatkin is ready to defeat the Japanese plan for cutting off Liaoyang. The Japanese forces are concentrated in three groups—the first at Simoucheng, Haicheng and Newchwang; the second threatening Liondinsian and Liaoyang, and the third threatening Sikeeyan, Liaoyang and Mukden. According to Chinese reports, the Japanese are massing in the direction of Siamatsza, evidently flanking Liaoyang, and a strong column is ascending the Liao valley from Newchwang, also for the purpose of flanking Liaoyang.

A reliable Chinese merchant declares this column includes 10,000 Chinese, who are Japanese subjects, from the island of Formosa. This most unwelcome development may induce other Chinese to join the Japanese. It is hard to tell a Formosan from a Manchurian.

RUSSIANS TO ATTACK JAPS.

Large Force Advancing Against Kuropatkin's Right.

General Kuropatkin's Headquarters in the Field, Aug. 10, via Fusan, Aug. 10.—Unofficial reports were current Monday that a large force of Russians were advancing to attack the Japanese right. Heavy firing heard in that direction Tuesday appears to confirm the report.

Russian soldiers who have been taken prisoners say the Russians were sometimes short of rations.

Two days of hard rains have followed a fortnight of severe heat.

The Japanese losses in the fighting of Aug. 1 were 990.

SENATOR VEST IS DEAD.

Noted Missourian Passes Away After a Long Illness.

Sweet Springs, Mo., Aug. 10.—After lingering for weeks between life and death former Senator G. G. Vest passed peacefully away during the day. He had been so near death for the past three days that the end came without a struggle.

He was conscious until about 2 a. m. Sunday morning, when he sank into a state of coma, from which he never aroused.

Arrangements have been made to hold funeral services here and the body will then be taken to St. Louis and at once transported to the cemetery, where brief services will be held at the grave.

TO CUT OFF KUROPATKIN.

Japs Continuing Preparations for a Flanking Movement.

St. Petersburg, Aug. 10.—Although Lieutenant General Sakharoff reports there is no change in the situation around Liaoyang, it is evident from the special press dispatches from Liaoyang and Sintsintin that the Japanese are continuing their preparations for a flanking movement, which may possibly alter the nature of the expected engagement at Liaoyang, and which may also further delay the crucial development.

The concentration of a strong Japanese force at Saimatsza indicates an intention to press forward toward Mukden, and if possible to cut the communications and prevent General Kuropatkin from retiring northward. General Kuropatkin is evidently aware of this move and is sending out reconnoitering parties from Sintsintin along the Saimatsza road. This is shown by the slight encounter with a Japanese outpost within thirty miles of Sintsintin. The Japanese are also bringing up strong forces from Yinkow.

A column marching from Newchwang with the evident intention of flanking Liaoyang from the westward included 10,000 Chinese from the island of Formosa, who are Japanese subjects.

The Associated Press correspondent at Liaoyang points out the alarming character of this development, and fears that the example may prove contagious. If the local Chinese are induced to join the Japanese it will be impossible to distinguish the Formosan and Manchurian Chinese. This revives the spectre of Chinese embroilment with the more remote possibility of foreign entanglements.

SUBJECT BROOKS NO DELAY.

Britain Urged to Resist Russian Doctrine Concerning Contraband.

London, Aug. 10.—The Times asserts that within the past ten days the North German Lloyd line and the Hamburg-American Steamship company have freely accepted at Antwerp cargoes for Japan consisting of electric cables, machinery, iron, wires, plates and light rails which were refused by British companies on the ground that they might be suspected as being contraband of war.

In a strong editorial the Times demands that the government take immediate means to resist the Russian doctrine concerning contraband of war, declaring that the subject brooks no delay unless the British far Eastern trade is to pass into the hands of German rivals.

BIG FLEET WILL SAIL

BALTIC WARSHIPS EXPECTED TO END THE WAR IN FAVOR OF RUSSIA.

Berlin, Aug. 10.—The St. Petersburg correspondent of the Lokal Anzeiger says that Rear Admiral Rojestvensky, commander of the Baltic fleet, has hoisted his flag on the battleship Souvaroff, and that the fleet, which consists of sixty vessels, including eight battleships and nine cruisers, will leave in the immediate future, probably on Aug. 16. The correspondent says it is hoped that the fleet will reach its destination within sixty days. He points out that the auxiliary cruiser Don has already sailed with a six-weeks' supply of coal for the whole squadron, besides 800 cattle and other provisions, and that two other vessels laden with coal will soon sail.

The correspondent says it is reckoned that the arrival of the Baltic fleet in the far East will turn the scales rapidly and end the war should Port Arthur still remain uncapitulated.

WILL CREATE A DIVERSION.

General Linevitch to Attack the Army of Kuropatkin.

St. Petersburg, Aug. 10.—It is reported in military circles that Lieutenant General Linevitch is marching with troops from the direction of Vladivostok to create a diversion in the rear of General Kuropatkin's army with the object of relieving General Kuropatkin's force.

RUSSIANS ENTER GENSAN.

Find the Japs in Superior Strength and Retire.

Seoul, Korea, Aug. 10.—Two companies of Russian troops entered Gensan Monday morning. Finding the Japanese to be in superior strength, the Russians retired. There were no casualties on either side. The raiding character of previous Russian movements in this direction has entirely disappeared, and the natives are being treated with kindness. Everything indicates that a systematic advance has been begun by the Russians into Northeastern Korea.

RUMORS OF REVERSES DENIED.

Chefoo, Aug. 10.—The steamer Kashing reports having seen a Japanese warship Tuesday night thirty miles northwest of Chefoo. The warship was patrolling in the vicinity where firing was heard last Monday.

MORE BODIES FOUND

NUMBER OF DEAD IN WRECK AT EDEN, COLO., WILL EXCEED ONE HUNDRED.

FORTY PERSONS ARE MISSING

WHILE SEVENTY-SIX BODIES OF THOSE WHO PERISHED HAVE BEEN RECOVERED.

Pueblo, Colo., Aug. 10.—Organized searching parties scoured the Fountain river banks for miles Tuesday in the hope of finding the remaining bodies of the victims of Sunday night's wreck at Eden. Seven more bodies were recovered and a number identified.

At 9 o'clock p. m. the total number of identified bodies recovered from the Eden wreck was 73; unidentified dead, 3.

The list of those reported missing has been growing all day and has now nearly reached 40.

One searching party is still out near the scene of the wreck. The party which went south brought in five bodies last night.

A coroner's jury was called to the scene of the wreck Tuesday and examined a number of witnesses. The coroner has issued a public call to all having evidence concerning the wreck to come before the jury. The examination into the cause of the disaster will be exhaustive and it is thought that it will require more than a week to hear all the witnesses that have been subpoenaed. Four railway men were examined last evening. Their testimony was mainly as to the amount of rain that fell during the storm near the wreck.

The undertaking establishments and morgue were besieged all day by anxious friends and relatives. The work of identification is proceeding slowly as the bodies are in bad condition. Many mistakes are being made in several cases the matter hanging in doubt since Sunday night.

After wandering about since the accident, William H. Henry, a traveling man of Greenville, Tenn., reached Pueblo Tuesday. He is nearly blind and almost crazy from hardship and exposure. He had been carried nine miles down the river and had been walking aimlessly without food or water. He is in a hospital in a serious condition. He was carrying his grip when found, but is unable to give a coherent account of what happened to him.

H. D. Wood, wife and daughter of Minneapolis, reported to have been on the ill-fated train, have not been found among the victims. They may be among the unidentified.

CHOLERA IN ST. PETERSBURG.

Several Cases Said to Have Occurred in Russian Capital.

St. Petersburg, Aug. 10.—Several cases of cholera are said to have occurred in St. Petersburg. This has not been officially confirmed, but it is a fact that the government is contemplating the adoption of precautionary measures and the Russian press is anxiously discussing the matter.

The alarmist story to the effect that several cases of cholera had occurred in St. Petersburg, two of which had resulted fatally, proves upon investigation to be entirely without foundation. The report had its origin in the death of two persons in a suburb of the city ten days ago from an intestinal disease in no way resembling cholera, but color was added to the story by the fact that the police have been taking precautions against the introduction of the disease from the Caspian shores of which, however, there is but a remote possibility. Nevertheless the restaurants have been ordered to use only filtered water and unsanitary buildings are being overhauled, cleaned and disinfected.

PREPARATIONS ALL COMPLETE.

Judge Parker Ready to Receive Notification Committee.

Esopus, N. Y., Aug. 10.—Preparations are practically complete at Rosemount for the formal notification of Judge A. B. Parker of his nomination as Democratic candidate for the presidency. These preparations are notably simple. Flags and buting are draped about the low platform from which the speeches are to be delivered, and seats have been arranged conveniently about it on the lawn just north of the house. Everything is in readiness for the arrival of the steamer Sagamore, which will bring the notification committee from New York city. In case of inclement weather the notification ceremony will take place upon the boat.

It is expected that 1,500 people will be present to hear the speeches.

The members of the notification committee will be first received by Judge Parker on the veranda at Rosemount. The opening speech will be that of Chairman Champ Clark of Missouri, who will formally notify Judge Parker of his nomination and will present to him a certified copy of the platform adopted by the St. Louis convention and of the message decided upon by the convention in reply to the Judge's telegram on the gold standard sent to William F. Sheehan. Judge Parker will follow Mr. Clark with his speech formally accepting the nomination. After two other speeches and an informal reception the visitors will depart.

MOTHER AND CHILDREN DEAD.

All Four Killed in a Wreck in Chicago.

Chicago, Aug. 10.—A mother and her three little children were killed and a number of other persons seriously injured in a collision Tuesday between a Westbound Baltimore and Ohio local passenger train, known as No. 17, and a Chicago and Erie freight train at the Brighton Park railway crossing following a frantic effort on the part of the crossing flagman to change the signals to the freight train, the crew of which he had given a signal that all was clear for them to back across the tracks. The passenger train, which was approaching rapidly, was struck by the freight cars and two of the coaches were overturned. One of the freight cars crashed through the woodwork of one of the coaches where the persons killed were seated. They were a family of five and C. C. Schwartz, the father, was the only one who escaped with his life. Although taken from the wreck unconscious and suffering from broken bones and bruises, it is believed that his injuries will not prove fatal. The mother and three children were killed instantly.

The dead are Mrs. C. C. Schwartz, J. L. Schwartz, five years old; W. C. Schwartz, five; Earl Schwartz, seven.

Late at night the police arrested Harry Moore, brakeman, Benjamin F. Waller, conductor of the freight train, Matthew Clarissy, semaphore man at crossing, and five other railroad men.

SPOONER VISITS ROOSEVELT.

Wisconsin Senator Says Electoral Vote Is Safe for Republicans.

Washington, Aug. 10.—Senator Spooner of Wisconsin had a conference with the president Tuesday. The talk related to general politics and to the situation in Wisconsin.

"I have not the slightest apprehension about the electoral vote of Wisconsin," said Senator Spooner. "It certainly will be for Roosevelt and Fairbanks. Our local trouble does not affect the national ticket at all."

Referring to the action taken by the supreme court of Wisconsin Tuesday in granting the "steward" faction of the Wisconsin Republicans permission to bring suit to restrain the placing of the names of the La Follette nominees on the official ballot, under the Republican emblem, Senator Spooner said it did not touch the real merits of the case. What the final decision may be, the senator said, he did not doubt that the vote of Wisconsin would be cast for Roosevelt, and he so informed the president.

OPINION OF GERMANY

ABDUL HAMID WILL DRAW RUSSIA INTO DIFFICULTY WITH AMERICA.

Berlin, Aug. 10.—The press generally prints the news of the action taken by Secretary of State Hay with regard to the difficulties between the United States and Turkey without comment.

The National Zeitung, however, considers the subject at great length and says that the center of gravity lies in the demands of the United States for the raising of American diplomatic representation to ambassadorial dignity in order that American citizens may enjoy in Turkey the same rights and privileges enjoyed by the citizens of other powers signatory to the treaties of Paris and Berlin.

The sultan is not likely to yield without a hard struggle, and President Roosevelt cannot afford the loss of prestige which would result from a failure to enforce his demands. The sultan probably will be forced to seek Russian support. Should Russia respond and bring the question of the passage of the Dardanelles into relation with this affair, the National Zeitung thinks that the situation might become extremely complicated.

JEWELS NOT STOLEN.

Mrs. Ogden Goelet's Gems Found in a Safe.

New York, Aug. 10.—In a statement issued Tuesday the detective agency engaged in the search for \$200,000 worth of jewels, the property of Mrs. Ogden Goelet, which were supposed to have been stolen, announced that the jewels were found Tuesday in Mrs. Goelet's safe in this city. The statement says that Mrs. Goelet left New York for Newport on June 21 and took her jewel case with her. In the middle of July she went to the case for some of the jewelry and failing to find it there, made a thorough search in her Newport residence. In the latter part of July she reported her loss to the detective agency. After a thorough investigation which indicated that no robbery had been committed, Mrs. Goelet came here Monday, and on opening the safe Tuesday found the jewels where she had placed them.

Fifty Houses Destroyed.

Victoria, B. C., Aug. 10.—Fire that started in the pattern shop of the Alston Iron Works last evening destroyed the northern portion of the building, together with a quantity of valuable machinery. The fire spread to the residence section and fifty houses were destroyed. The loss exceeds \$150,000.

Reception Results in Riot.

Toronto, Aug. 10.—A reception in Queens park last night in honor of the winner of the King's prize at Bisley was turned into a riot during which a platform broke and seven people were injured.

Chicago, Aug. 10.—A mother and her three little children were killed and a number of other persons seriously injured in a collision Tuesday between a Westbound Baltimore and Ohio local passenger train, known as No. 17, and a Chicago and Erie freight train at the Brighton Park railway crossing following a frantic effort on the part of the crossing flagman to change the signals to the freight train, the crew of which he had given a signal that all was clear for them to back across the tracks. The passenger train, which was approaching rapidly, was struck by the freight cars and two of the coaches were overturned. One of the freight cars crashed through the woodwork of one of the coaches where the persons killed were seated. They were a family of five and C. C. Schwartz, the father, was the only one who escaped with his life. Although taken from the wreck unconscious and suffering from broken bones and bruises, it is believed that his injuries will not prove fatal. The mother and three children were killed instantly.

The dead are Mrs. C. C. Schwartz, J. L. Schwartz, five years old; W. C. Schwartz, five; Earl Schwartz, seven.

Late at night the police arrested Harry Moore, brakeman, Benjamin F. Waller, conductor of the freight train, Matthew Clarissy, semaphore man at crossing, and five other railroad men.

SPOONER VISITS ROOSEVELT.

Wisconsin Senator Says Electoral Vote Is Safe for Republicans.

Washington, Aug. 10.—Senator Spooner of Wisconsin had a conference with the president Tuesday. The talk related to general politics and to the situation in Wisconsin.

"I have not the slightest apprehension about the electoral vote of Wisconsin," said Senator Spooner. "It certainly will be for Roosevelt and Fairbanks. Our local trouble does not affect the national ticket at all."

Referring to the action taken by the supreme court of Wisconsin Tuesday in granting the "stallwart" faction of the Wisconsin Republicans permission to bring suit to restrain the placing of the names of the La Follette nominees on the official ballot, under the Republican emblem, Senator Spooner said it did not touch the real merits of the case. What the final decision may be, the senator said, he did not doubt that the vote of Wisconsin would be cast for Roosevelt, and he so informed the president.

OPINION OF GERMANY

ABDUL HAMID WILL DRAW RUSSIA INTO DIFFICULTY WITH AMERICA.

Berlin, Aug. 10.—The press generally prints the news of the action taken by Secretary of State Hay with regard to the difficulties between the United States and Turkey without comment.

The National Zeitung, however, considers the subject at great length and says that the center of gravity lies in the demands of the United States for the raising of American diplomatic representation to ambassadorial dignity in order that American citizens may enjoy in Turkey the same rights and privileges enjoyed by the citizens of other powers signatory to the treaties of Paris and Berlin.

The sultan is not likely to yield without a hard struggle, and President Roosevelt cannot afford the loss of prestige which would result from a failure to enforce his demands. The sultan probably will be forced to seek Russian support. Should Russia respond and bring the question of the passage of the Dardanelles into relation with this affair, the National Zeitung thinks that the situation might become extremely complicated.

JEWELS NOT STOLEN.

Mrs. Ogden Goelet's Gems Found in a Safe.

New York, Aug. 10.—In a statement issued Tuesday the detective agency engaged in the search for \$200,000 worth of jewels, the property of Mrs. Ogden Goelet, which were supposed to have been stolen, announced that the jewels were found Tuesday in Mrs. Goelet's safe in this city. The statement says that Mrs. Goelet left New York for Newport on June 21 and took her jewel case with her. In the middle of July she went to the case for some of the jewelry and failing to find it there, made a thorough search in her Newport residence. In the latter part of July she reported her loss to the detective agency. After a thorough investigation which indicated that no robbery had been committed, Mrs. Goelet came here Monday, and on opening the safe Tuesday found the jewels where she had placed them.

Fifty Houses Destroyed.

Victoria, B. C., Aug. 10.—Fire that started in the pattern shop of the Albin Iron Works last evening destroyed the northern portion of the building, together with a quantity of valuable machinery. The fire spread to the residence section and fifty houses were destroyed. The loss exceeds \$150,000.

THE AFTERNOON NAP.

Modern Conditions Killing the Siesta Habit in Mexico.

There are people in Mexico City who take their afternoon nap every day, and are greatly benefited thereby, but their number appears to be growing less year by year. Whether the siesta is beneficial or not, or whether in this high altitude it is a necessity for many persons, as is claimed by some, its death knell as a general custom seems to have been sounded since the city adopted its modern enterprise and push. Many old residents will tell you of the time when a person in the city of Mexico would have been considered almost crazy if he neglected his afternoon rest, but gradually, with the advent of the railways, the street cars and the electric lights, came the inevitable sleeplessness which is one of the most noticeable characteristics of modern civilization.

There are several supporters of the siesta idea in this city who express regret that the custom appears to be passing away. These persons, who are themselves devotees of the practice, claim that it is a healthful and nerve restoring habit and that if it were indulged in systematically by the people of the United States and other progressive countries there would be fewer cases of nervous wrecks for the newspapers to report. "Early rising and a short nap after dinner" is what these people advocate, claiming that the best work of most persons is performed in the morning.—Mexican Herald.

MUSIC AND DRAMA.

HOYT'S "A TEXAS STEER."

"A Texas Steer" will be given at the Brainerd opera house Monday evening, August 15. The plot is well woven and very interesting. It also depicts a life which the general public hears of, but knows little about—life in Washington, and the trials and tribulations of a country-bred congressman, who has more wealth than refinement and social education and whose path is beset on all sides with difficulties. The company that comes to this city is one of the best that has ever appeared in the skit. Among them are Will H. Bray, who appears as the "Minister to Dahomey" and

who originated the part, John L. Weber as "Maverick Brander," May Stockton as the congressman's daughter, "Bossy," and the Texas Steer quartette furnish popular melodies. The engagement promises to be one of the most successful of the season.

"SWEET CLOVER."

Otis B. Thayer by his wonderfully natural and life-like creation of the part of Jerome Holcome in "Sweet Clover" has fully demonstrated that he is beyond question the greatest exponent of rural character comedy parts before the public. His methods are natural, quiet and easy; the same style that James A. Hearn delighted in. His initial tour in "Sweet Clover" last year so firmly established him as a star that the reception accorded him on return dates in some of the cities played was an ovation such as is rarely given an actor, and in every city visited this season the number has been limited only by the capacity of the theatre. This charming drama will be presented at the Brainerd opera house in the near future.

GROWTH OF POPULAR ORGANIZATION

Members of Ladies' Musical Club Issue Neat Pamphlet Full of Interest

HAS MEMBERSHIP OF EIGHTY-FIVE

Twenty-seven Meetings Held During the Past Season—Some Interesting Programs.

Brainerd has a musical club composed of ladies which is a credit to this community and a fitting exponent of the musical talent of the city.

The Ladies Musical Club of Brainerd was organized in 1903 on March 7 with twenty members and Mrs. W. H. Gemmell, now a resident of St. Paul, was the first president.

Since the organization the club has grown in membership from twenty to eighty-five, fifty-three of these being active members who take part in the bi-monthly programs during the winter season.

The booklet just issued contains the secretary and treasurer's report and some interesting details, indicating the growth of the club and the excellent work that it has performed during the past year.

Fifteen regular programs were given, there were two social gatherings, 27 executive board meetings, one open meeting and one club "treat," a program by Mr. Milton Griffith. During the season the ladies gave four artists' recitals, all of them very good and greatly appreciated.

The recitals were as follows: Miss Ella Richards, pianist; Arthur Farwell, lecture-recital, "Music and Myth of American Indians"; Edward Baxter Perry, lecture-recital; Florence Marion, song recital.

The officers of the club are: Mrs. C. M. Patek, president; Mrs. L. M. Follett, vice president; Mrs. J. N. Nevers, recording secretary; Mrs. Irma Hartley, corresponding secretary; Mrs. Henry I. Cohen, treasurer; Mrs. C. D. McKay, librarian.

The committees are all well provided and the members of the club are looking forward to a very profitable and enjoyable season next year and are planning on some good things in the entertainment line.

W. H. Hammond and J. H. Watson

Arrested Charged with Tacking Signs on Electric Light Poles

W. H. Hammond and J. H. Watson, who go out over the country doing stunts tacking signs for the Bon Ami washing powder, evidently knew that it was against the city ordinance to tack signs on telegraph, telephone and electric light poles in this city, for they took the cloak of night to cover up their work. They proceeded to proceed immediately after the arrival of the train at midnight last night and they were picked up by Officer Hurley and taken over to the lockup. This morning they were in police court and pleading guilty and were fined \$5 each.

M. K. SWARTZ TO MOVE

Will Move from the Wise Building to the Columbian Block in the Near Future

M. K. Swartz has decided to move from his present location on the corner Front and Sixth streets to the Columbian block and will occupy the store room vacated a few days ago by Mrs. C. Grandelmyer. The room is to be entirely overhauled and renovated and placed in the very best possible condition. A new front is also to be put in and Mr. Swartz will have one of the finest stores in the city, with plenty of room and an excellent opportunity to display his goods. The work of repairing the building will commence at once.

The reason that Mr. Swartz did not build on the Canan lots on Sixth street was the fact that he could not get clear title to one of the lots.

THERE TO HEAR KICKS

County Board of Equalization Meeting at the Court House to Hear Kicks on the Assessments

The county board of equalization is in session today at the court house going over the records for final action and hearing protests from various sources. A large number have called and registered their kicks but in most instances little has been changed.

One man who called this morning had a novel experience and one which he will not soon forget. It seems that he owns a lot in southeast Brainerd which was assessed at a figure which he thought was exorbitant. He protested most strenuously and when inquiry was made it was discovered that he was not assessed as much as another man who adjoined him and his assessment was raised \$10 instead of lowered and now he is kicking himself for "butting" in.

Headaches, indigestion, constipation and all stomach troubles are cured with Hollister's Rocky Mountain Tea. A family tonic. 35 cents Tea or Tablets. H. P. Dunn & Co.

"PIKE" AT THE FAIR

Minnesota State Fair will Have the Latest Thing in Sideshows Ever Shown Before.

Right up to date and abreast with the times the Minnesota State Fair has discarded the "Midway" and will come out this year with a full-fledged "Pike."

It is to be the genuine article, too, and any man who goes over the "Pike" at the next state fair will have seen everything worth while that might be seen at the Louisiana Purchase Exposition in the similar department. In fact, many of the most attractive features of the "Pike" at St. Louis will be reproduced at the big Minnesota show.

The "Pike" will be west of the center of the grounds and will be in a great inclosure, large enough to contain a mile of pike and forty or fifty shows. Some of the shows will be free, while others will be 10-cent and 25-cent affairs, and will be worth seeing. They will include the stadium, zoo, "creation," Morocco, illusions, congress, maze, the house upside down, a glass show, pony and dog show, and other good attractions.

All will be under the direct supervision of the board of managers of the Minnesota fair.

The fair opens on Aug. 29 and continues one week. Half-fare rates have been made by the railroads.

CHOUNARD VERY MUCH OVERCOME

Sheriff Hardy Received Official Notification of Date of Execution on Saturday

TOLD CHOUNARD SATURDAY

Condemned Man Trembled Under the Strain and was Almost Entirely Overcome

The news that he must die on August 30, paying penalty for the killing of his wife at Cass Lake last winter, was broken to William Chounard at the Cass county jail on Saturday night by Sheriff George S. Hardy.

Mr. Hardy received the official notification of the action of the governor in the case on Saturday, and on Saturday evening after the meal went to Chounard's cell to break the news. Not an altogether pleasant task and Mr. Hardy said today that he was about as much moved, he thought, as Chounard himself.

Chounard rather expected what was coming and a look of strange anxiety came over his face as the minion of the law read the document which set the date of execution. He caught the gist of the communication and then buried his face in his hands and wept bitterly. He was very much overcome and it is thought he will be a complete wreck before the day of the hanging.

80 PER CENT OF THE ADULT POPULATION SUFFER FROM ONE PAINFUL AILMENT.

Think what this means. Imagine the amount of misery that exists and is endured simply because people do not know there is an absolute cure.

The only way to cure any complaint is to remove the cause. There are very few diseases or ailments that can be cured by external application—and piles is not one of them. Piles can be cured; the treatment must, however, be internal, for the cause of piles is an internal disorder of the liver or the bowels. Even catarrh of the stomach and bowels can be cured by DR. PERRIN'S PILE SPECIFIC, The Internal Remedy. Here is an instance of what this practically infallible remedy will do:

Dr. C. A. Perrin, Helena, Mont.—Dear Sir: I have nearly finished the former bottle of Perrin's Pile Specific and am practically well. My case was one which most physicians would have pronounced incurable, as I was afflicted with a dysentery and compelled to go to the toilet room from three to five times each day and each time would bleed from one-half to one teaspoonful. I had to resort to bandages and absorbent cotton to check the flow of blood, and now the past ten or twelve days there has been no sign of bleeding and my appetite is good; have gained ten pounds in weight and feel like a new lease of life was given me.

Very truly yours,
T. R. HARRIS,
Yerington, Nev.

October 20th, 1902.

Dr. Perrin's Pile Specific is sold by all reliable druggists at \$1.00 the bottle, under an absolute guarantee to refund the money should this great internal remedy fail to cure.

RETAILERS HAUL ICE

BOYCOTT OF MARKETS FAILS TO
WORK AS WELL AS STRIKERS
HAD EXPECTED.

POLICE AND RIOTERS FIGHT

FULLY ONE HUNDRED SHOTS ARE
FIRED BUT NOBODY IS HIT
BY A BULLET.

Chicago, Aug. 10.—The stockyards
strike was freer of rioting Tuesday
than at any time since the struggle
with the packers began four weeks
ago. With the exception of one small
disturbance in the downtown district
late in the afternoon when friends of
the strikers discovered a wagonload
of meat being hauled through the
streets by a retail merchant because
of the strike of the teamsters, a crowd
gathered and tried to overturn the
vehicle, but were dispersed before they
had accomplished much damage, the
day was practically free from violence.

The strike leaders spent the day in
seeing that the boycott against the
retail markets, which have been placed
under the ban of the unions, was being
enforced. In some instances the
strikers were successful in cutting off
the supply of ice, but in many of the
places the boycott did not work so
well as had been expected, the retail-
ers being able to haul what ice they
required in their own wagons.

The packers claim that fully 80 per-
cent of the usual amount of work was
carried on Tuesday. The receipts of
livestock, while not large, still were al-
most normal. The greater portion of
these arrivals were purchased by the
packers and before night had been
slaughtered. Between 600 and 700
new arrivals were added to the pack-
ers' force of employees Tuesday.

An attempt to move meat from the
stockyards to the Fulton Market on
Randolph street, a distance of four
miles, caused a number of fights last
night between the police and crowds
of strike sympathizers who attempted
to prevent the passage through the
streets of wagons bearing the meat.

Fully 100 shots were fired by the
police and the members of the mob,
but nobody was struck by a bullet.

Officers Stephen Barry and Patrick
O'Hara were cut on the head by
stones thrown by rioters and over a
score of the rioters were knocked
down by the clubs of the policemen
and were carried off by their friends.

STRIKERS HOLD UP A TRAIN.
Drive Off Nonunion Men and Throw
Their Baggage Into the River.

Kansas City, Mo., Aug. 10.—A mob
of 200 men and boys, packinghouse
strikers and their sympathizers,
stopped an incoming train carrying
strike breakers at Riverside, Kan.,
last night, drove the nonunion men
from the train with clubs, threw their
baggage into the Kaw river and set
fire to the car. The police put out the
fire before any damage had been done.
No arrests were made.

MAY FUSE IN NEBRASKA.
Democrats and Populists May Name
One Ticket.

Lincoln, Neb., Aug. 10.—Nebraska
Democrats are in the city in large
numbers to attend the state conven-
tion for the nomination of candidates
for state offices to be held today.
There is no very well defined idea as
to the composition of the ticket and
unless the unexpected happens it will
be a long convention with many con-
ferences with the Populists, who also
meet at the same hour, looking to pos-
sible fusion. Should fusion be agreed
upon—and Democratic party leaders
are working earnestly to bring it
about—it is generally agreed that the
Populists are to have the head of the
ticket. That removes all strife among
the Democrats for the nomination.
W. J. Bryan is a delegate to the con-
vention and will attend.

the purpose of locating two important

which are to be located here. They
are to be the German and railway

is to reclaim for the Democrats the

ARMENIANS KILL TURKS.
Several Hundred Soldiers Slain by
Insurgents.

London, Aug. 10.—The Tabriz, Per-
sian, correspondent of the Daily News,
in a dispatch dated Aug. 6, says:

"On July 13 a band of Armenian
revolutionists appeared near Outch-
kilissa. Turkish soldiers and Kurds,
finding an excuse, attacked and de-
stroyed the villages of Outchkilissa,
Koomiouboujak, Gougan, Karabazar
and Sayto, butchering men and out-
raging women.

"Two large Armenian bands march-
ing to Sassun to help the insurgent
leader Antranik attacked the garrisons
at Mossunzory and Goutchagh for re-
venge on July 25. At dawn bombs
were thrown into these places, killing
many and severe fighting ensued. A
majority of the soldiers were killed
and the garrisons resembled grave-
yards. One band forced its way
through the Kurdish tribes toward
Arress. The number of soldiers
killed amounted to several hundred."

WHITE BEAR DEFEATS NOORNA.
Each Yacht Now Has Two Victories to
Her Credit.

Montreal, Aug. 10.—The White Bear
defeated Noorna in Tuesday's race for
the Seawanhaka cup, and defender
and challenger have each two vic-
tories to their credit. The race Tues-
day was over a triangular course,
which gave a beat, a close reach on
which the spinnaker was used on one
leg owing to a shift of wind, and a
third leg which was also practically a
reach. There was a fair eight-knot
breeze and the combination of wind
and water suited White Bear, and she
beat the Noorna by 1 minute and 2
seconds.

RETAILERS HAUL ICE

BOYCOTT OF MARKETS FAILS TO WORK AS WELL AS STRIKERS HAD EXPECTED.

POLICE AND RIOTERS FIGHT

FULLY ONE HUNDRED SHOTS ARE FIRED BUT NOBODY IS HIT BY A BULLET.

Chicago, Aug. 10.—The stockyards strike was freer of rioting Tuesday than at any time since the struggle with the packers began four weeks ago. With the exception of one small disturbance in the downtown district late in the afternoon when friends of the strikers discovered a wagonload of meat being hauled through the streets by a retail merchant because of the strike of the teamsters, a crowd gathered and tried to overturn the vehicle, but were dispersed before they had accomplished much damage, the day was practically free from violence.

The strike leaders spent the day in seeing that the boycott against the retail markets, which have been placed under the ban of the unions, was being enforced. In some instances the strikers were successful in cutting off the supply of ice, but in many of the places the boycott did not work so well as had been expected, the retailers being able to haul what ice they required in their own wagons.

The packers claim that fully 80 per cent of the usual amount of work was carried on Tuesday. The receipts of livestock, while not large, still were almost normal. The greater portion of these arrivals were purchased by the packers and before night had been slaughtered. Between 600 and 700 new arrivals were added to the packers' force of employees Tuesday.

An attempt to move meat from the stockyards to the Fulton Market on Randolph street, a distance of four miles, caused a number of fights last night between the police and crowds of strike sympathizers who attempted to prevent the passage through the streets of wagons bearing the meat.

Fully 100 shots were fired by the police and the members of the mob, but nobody was struck by a bullet.

Officers Stephen Barry and Patrick O'Hara were cut on the head by stones thrown by rioters and over a score of the rioters were knocked down by the clubs of the policemen and were carried off by their friends.

STRIKERS HOLD UP A TRAIN.

Drive Off Nonunion Men and Throw Their Baggage Into the River.

Kansas City, Mo., Aug. 10.—A mob of 200 men and boys, packinghouse strikers and their sympathizers, stopped an incoming train carrying strike breakers at Riverside, Kan., last night, drove the nonunion men from the train with clubs, threw their baggage into the Kaw river and set fire to the car. The police put out the fire before any damage had been done. No arrests were made.

MAY FUSE IN NEBRASKA.

Democrats and Populists May Name One Ticket.

Lincoln, Neb., Aug. 10.—Nebraska Democrats are in the city in large numbers to attend the state convention for the nomination of candidates for state offices to be held today. There is no very well defined idea as to the composition of the ticket and unless the unexpected happens it will be a long convention with many conferences with the Populists, who also meet at the same hour, looking to possible fusion. Should fusion be agreed upon—and Democratic party leaders are working earnestly to bring it about—it is generally agreed that the Populists are to have the head of the ticket. That removes all strife among the Democrats for the nomination. W. J. Bryan is a delegate to the convention and will attend.

BUREAUS IN CHICAGO.

Will Try to Reclaim Gold Vote for Democrats.

Chicago, Aug. 10.—While there will be no general Western Democratic headquarters established in Chicago, it was stated Tuesday that National Chairman Thomas Taggart would be in Chicago the latter part of the week for the purpose of locating two important literary bureau headquarters, both of which are to be located here. They are to be the German and railway bureaus, the special mission of which is to reclaim for the Democrats the gold vote which went to the Republicans four years ago.

REPORTED ATTACK DENIED.

President Reyes Says American Consulate at Bogota Was Not Stoned.

Panama, Aug. 10.—The correspondent of the Associated Press here has received the following dispatch from Bogota, Colombia, signed by President Reyes:

"The reported attack on the American consulate here is untrue. The consul, charge d'affaires and other American citizens enjoy all the guarantees in Colombia, where complete peace reigns."

Nixon for Senator.

Reno, Nev., Aug. 10.—The Republican state convention concluded its labors at Winnemucca by nominating the following ticket: United States senator, George S. Nixon; member of congress, James A. Yerington; supreme judge, Frank H. Norcross.
